

“We went from taking days and weeks to service requests – down to hours, within days of implementing FileNexus.”

Jim Williamson
VP Information Technology
The Independent Order of Foresters

1. Documents are archived to FileNexus
2. FileNexus automatically assigns documents/tasks to users
3. Appropriate staff are notified (via email or task lists)
4. Users can [approve Documents using the FileNexus Web Client](#)
[See Business Case](#)
